And of course: the 2016 Expo Breed Challenge Winner, for the 2nd year in a row: Lawrance Valdez. This duet with Yadira Arreguin, shown here, topped off his earlier FLAWLESS demonstration of horsemanship that included various obstacles that he and John Garro's horse RITA could have done blindfolded.

For Sale: Three palomino geldings who are full brothers and are 1/2 Walker and 1/2 Fox Trotter. Bred and always owned by Wally Hitt who lives in Boise.

Jazz Man is 11, Boomer is 9.5 and Trigger is 8.

Shown below is Jazz Man. Wally is no longer riding and able to take care for the horses. If Interested, please call Wally Hitt or Joan Priest at 258-3269.

Their sire is Duplicator's Jazz Man and is shown in the ad below.

DUPLICATOR'S JAZZ MAN
TWHBEA #967954

Years ago as we set out to breed a successor to Duplicator, we soon realized that Jazz has exceeded expectations in every manner possible. The fact that he is a dark Palomino is a bonus. He is an unflawed beautiful and stunning stallion. Jazz is very short coupled, with a long arching swan neck coming straight out of his shoulder. He is intelligent, kind, and very docile, and ranks very high as one of the smoothest horses throughout his multiple gears. He has passed his gaits and disposition to his many offspring. Jazz's Maternal Dam begins with Hunters Allen F-10 bred to Golden Lady producing Barker's Moonbeam. Jazz's 5th maternal dam, Sun's Gold Rocket's 1st dam Snow Glow is double line bred Barker's Moonbeam. It is Jazz's 4th maternal dam Topaz that was bred to Col. Pats Orderly a direct descendent of the Gray John strain of horses, which produced Jazz's 3rd maternal dam Orderly's Misty Dawn which foaled Jazz's 2nd maternal dam Desert Song. Cottonwood Crossing bred Desert Song To Terrific's Pride that foaled Jazz's 1st maternal dam, Dawn of the Desert. The blood of Jazz's 1st maternal dam has proven to be of exceptional value, with an unbroken string of 16 generations of TWHBEA registered Palomino superstars. When we foaled Jazz, by Duplicator. Jazz's lineage is correctly structured to produce foals you will want to keep a lifetime.
