La Princesa de Zorro Rojo

Reg #44718

The recent and sudden passing of her owner leaves this 10 year-old Paso Fino mare in need of a 'forever' home.

Princesa was bred & professionally trained at Red Fox Pasos, then brought to Idaho by her owner. She has been boarded and ridden often in the Eagle foothills and Boise mountains. She has been to many natural horsemanship clinics, fun shows, and has been on a drill team.

She is a 14 hand light chestnut. She is quiet and calm, but needs an experienced, confident rider to match her capabilities & can-do personality. She is athletic and willing for her rider -- and a really smooth Paso Fino!

All vet checks, shots, shoes are current.
