Historic sites

Cape Blanco Lighthouse

Built in 1870, Cape Blanco Lighthouse is the oldest standing lighthouse on the Oregon coast. Managed by the Bureau of Land Management, tours cost \$2 for adults (free for youth 15 and younger). Tours: April-Oct. 31, Wednesday - Monday, 10 a.m. - 3:30 p.m. Last tour ticket sold at 3:15 p.m. Gates close at 3:30 p.m. (Closed Tuesdays)

Historic Hughes House

Constructed in 1898 for ranchers Patrick and Jane Hughes, the 3,000-square foot farmhouse retains its Victorian charm. Tour the home to learn about early 20th century farm life from knowledgeable volunteers. Tours are free; donations help fund restoration and maintenance of the home. Tours: May 1-Sept 30, Wednesday-Monday, 10 a.m. - 3:30 p.m. (Closed Tuesdays).

Both sites are listed on the National Register of Historic Places and supported by the Cape Blanco Heritage Society in cooperation with Oregon State Parks.

Trails for Hikers and Horses

More than eight miles of hiking trails lead to the beach, viewpoints of ocean vistas, fishing spots along the Sixes River, and the lighthouse. On horseback, follow a seven-mile trail or enjoy a 150-acre open riding area across from the horse camp.

Bring your Horse

Horse campers will enjoy twelve new pipe corrals, installed in early 2018 in partnership with Oregon Equestrian Trails. These corrals are available first-come, first-served for Cape Blanco horse campers. Those with additional horses can trailer-tie them or use portable corrals.
