Directions from Boise 6-hour drive from Boise. Enter Latitude and Longitude in google maps search bar for directions from Boise. (46.054427,-121.538586) This pleasant well-developed horse camp is located in a wooded site on the base of Mount Adams. There is a loading ramp and water for stock only. Water is not for human consumption. Each site has a highline. An open field next to the campground provides space for over flow camping and a beautiful view of the mountain. A twenty mile trail system that can lead to **Mt. Adams Wilderness** is accessible from the campground. Check with Ranger District for current conditions and trail maps.

Mt. Adams Ranger District 2455 Hwy 141, Trout Lake, WA 98650 (509) 395-3400

From Trout Lake, Washington take Mt. Adams Road north to the intersection with Forest Road 23. At this intersection fork to the right. Continue driving for one mile to the turn onto Forest Road 80. This road is signed "South Climb". Make the left hand turn on to Forest Road 80 and continue to the intersection with spur road 031 at the sign for the horse camp. Turn left and drive to the entrance to the camp on the right.
