

TETON CAMPGROUND

Name of Campground or Area: Teton Canyon Campground. This a national park. **I need to call them to confirm if overnight horse camping is allowed in the campground. The website is a little vague. But with the corrals and hitching posts I'd say probably OK.**

Reservations: NO

Location: Nearest city: Driggs, Idaho

Web site for further information or reservations: <https://www.fs.usda.gov/recarea/ctnf/recreation/horseriding-camping/recarea/?recid=54725&actid=30>

Directions from Boise 5.5-hour drive from Boise When in Driggs, ID turn east on E Ski Hill Rd for 3.5 miles. Continue on Alta Rd/Targhee Rd for 2 miles. Turn right at Teton Canyon Rd for 4.7 miles. Turn right to stay on the Teton Canyon Rd 0.2 miles. Your destination will be on the right.

Google maps GPS coordinates: 43.7566784, -110.9184546 Teton Canyon Campground is located east of Driggs, ID. It has 20 single units and 2 double units. All campsites are equipped with tables and fire ring/grills. Most of the campsites will accommodate vehicles up to twenty feet in length, there is one site designed to accommodate vehicles up to ninety-nine feet in length. There are two, two-unit vault toilets located within the campground. There are ten water hydrants located throughout the campground. Potable water is supplied via a well; the pump house is located within the campground. These sites are universally accessible with packed gravel surfacing. There are great hiking opportunities and the fishing is good.

In addition to the campground, there is a horse transfer facility located approximately 200' to the west of the main campground. In addition to the standard camp amenities the horse transfer facility also provides users with; two 20' X 17' corrals, two water hydrants, and several hitching posts. These sites are universally accessible with packed gravel surfacing. **At a Glance**
